Working Bee – 27 January 2018

We need your help with getting our club ship shape prior to Masters Games in February 2018. Put this in your diary now and make an effort to come along for an hour or two.

New Business League Competition, Thursdays 22 February – 15 March 2018

We encourage you to promote this at your workplace. It's an opportunity to get your workmates together for 4 weeks of fun, competitive squash. The format is similar to summer league so a maximum of 8 teams @ \$80 per team or \$5 per person per game.

Otago Squash Club 50th Celebrations. Queens Birthday, 1st – 3rd June 2018

Next year OSC celebrates 50 years of existence at Mellor Park! A sub-committee is working on the formalities so if you know of anyone from the golden years who should know about this event contact aynsley@squashotago.co.nz.

More details regarding registration and event details will be out soon.

Cooking 4 Change – Cook Book

Thank you to those who have supported this fundraiser. We still have copies available at \$30 each. This will make a great xmas present and not just for the recipes but the recipe stories behind these famous Kiwi celebrities.

Maintenance to the Club

Double glazing of the lounge windows has been completed. The lounge and seating area outside court 2 also have a new insulated ceiling and new hanging heaters similar to upstairs will be installed in the seating area soon.

Thanks everyone for your help and support. We look forward to seeing you at the AGM and welcome anyone interested in joining the 2018 committee.

Merry Xmas and Happy New Year!
